

Biography: Elizabeth Dickinson

Stormwater and Pretreatment Team
Water Quality Division
Texas Commission on Environmental Quality

Current Position

Elizabeth Dickinson has been working full time with the TCEQ Stormwater and Pretreatment Team since August 2015. She is responsible for various stormwater tasks including reviewing municipal separate storm sewer system (MS4) annual reports, providing customer service, reviewing MS4 applications and Stormwater Management Programs, and drafting individual industrial and MS4 stormwater discharge permits under the Texas Pollutant Discharge Elimination System (TPDES). She also enjoys taking on special projects, such as Outreach.

Education and Prior Experience

Elizabeth earned a Bachelor of Science degree in Environmental Studies from the University of Central Florida (UCF) in Orlando. She has performed fieldwork in sea turtle tracking studies, assisted in an avian intensive care unit, and volunteered in plant identification for controlled burn scheduling in the UCF arboretum.
